## SILVER ROCK

*Silver Rock's natural beauty and secluded location offer the perfect blend of solitude and adventure.*

*Renowned as a windsurfing haven, the lively surf provides the ideal environment for active vacationers, while Silver Rock's breathtaking ocean vistas create the perfect setting for romance.*

The beautiful beachfront property features 70 rooms including a honeymoon suite with two private ocean view balconies. Located on a sparkling white sand beach, Silver Rock also boasts a freshwater pool and poolside bar. Guests can enjoy the tropical sun and refreshing ocean breezes while dining on Jibboom's open patio, or relax while enjoying the evening's entertainment under the stars.

Silver Rock's beach is internationally known for its excellent windsurfing conditions and the hotel is an established haven for the sport. Barbadian champion, Brian "Irie Man" Talma, heads Silver Rock's team of sporting experts that have attracted many of the world's top athletes to the resort. In addition to windsurfing, Silver Rock offers a variety of outdoor and beach activities including kite surfing, boogie-boarding, hiking, beach volleyball, and kayaking.
